Greetings fellow cattleman

It hardly seems possible that its that time of year again. We are now entering our 7th year hosting the Kastel Show Cattle & Friends Sale and we feel that we have put together an impressive set of cattle for you. We have something for everyone with our biggest sale offering to date.

The past year, we gained some wonderful new friends, viewed beautiful cattle, and even grabbed some purple along the way.

Once again, words go without saying our heartfelt thank you to all of our family and friends for their help and support. It takes a lot time and teamwork to put this together and we could not do it without all of you.

Please join us Saturday evening for "Cattle Fest" 2011 for cattle viewing, BBQ, refreshments and socializing.

Cattle can be viewed anytime prior to the sale, visitors are always welcome.

HEIFERS

JFK Furby

Sire: Bojo **Dam:** PB Shorthorn
DOB: April *Shorthorn Plus*

Michelle just had to name this roaned heifer Furby! And she has been a pasture stand out from day one. Her mom was our pick of breds from Tom Farrers sale in 2009. Kevin Wendt said her dam would make to the front donor pen, and if she keeps this up, she sure will be there in no time. Furby is really deep ribbed, shaggy, freak necked and just plain has the show ring "look".

Michelle has her spoiled rotten so needless to say she's a big ol babe. Have fun trucking her around and wait and watch the heads turn as she enters the ring.

JFK RD Sally

Sire: Who Made Who **Dam:** JFK Portia
DOB: March

WOW!! Now here is a donor cow in the making. WMW heifers make WMW bred females someday and we all know how hot they are in all those fall and winter sales. Her dam and grand dam (JFK Lana) are donors for us now. When Right Direction Cattle LLC teamed up with us on Portia we both knew we wanted a "who" out of her. This one is just getting better every day. She has it all, hair, belly and great necked!! Club calf mama here. An added bonus...she was shown by Joseph (age 4) this year at the fair winning her class and division making it to the final drive. Good Job Joseph!!

AHM Isabelle

Sire: Heat Wave **Dam:** Mariah
DOB: March

4

Here is a heifer that has that has some big shoes to fill. Her brothers were Champion Pen of Steers at the 2009 Michigan State Fair, Her Sister (photo to the right) has had a great show career including Champion Maine at the Michigan Winter Beef Show and 5th overall heifer and her dam Mariah is one of the most consistent producers in the industry.

Miss New York

Sire: Quad S Sunny **Dam:** Dr. Who
DOB: April

5

This one plain has the "look"!! Style to burn, hair to make a llama jealous or me!!! Buy her and bring her to the winners circle. Her big brother was Grand Champion Steer at a really tough New York Fair

JFK Miss Indiana

Sire: One & Only **Dam:** Maine Break

DOB: April

Miss Indiana was the result of our purchase from the Run of the Roses Sale this past year. This one has the look to be a great cow and show heifer. If you like baldies like me, this is the one to have in the barn. I have a great mating in mind for this one when the time comes.

JFK Dirty Blond

Sire: Heat Wave **Dam:** Mimms 9P Donor

DOB: April

1

Smoking is only ok when you do it this way. Purchased in last years Holiday Classic Sale and out of the great 9P Donor cow of Mimms. It's not everyday that you see a baldie smokey. She has cow power written all over her and the pedigree to match. Buy her and I can help you make money on this one for sure.

8

HF Meggie

Sire: Monopoly **Dam:** Chill Factor

DOB: February

Look at this pedigree....it doesn't get any better than this. This heifer traces back to the great OWC Peggy Sue. Her l'm a Legend sister was champion Market Heifer at the 2010 Michigan Live-stock Expo.

Quad S Barbie Girl

Sire: Quad S Sonny **Dam:** Mossy Oak/Payback

Anyone who has been around us might remember our "Barbie" who was a big winner in the show ring for us and never got beat. This freaked necked, shagged out, booted heifer reminds me a lot of her. She sure will look hot in the show ring!!

Consigned by Quad S Farms

Pepper

Sire: Monopoly **Dam:** Maximus

Very complete stylish heifer that will make an excellent donor once her show career is over. She reminds Jeremiah a lot of the calf they sold last year that won at the Missouri State Fair.

Sire: Sunseeker **Dam:** K-Kim Shorthorn Plus

A feminine sun seeker heifer that still has the muscle and dimensions to compete against tough competition. She is broke and ready to show

Consigned by Johnston Farms

17

JF Diamond in the Rough **DOB:** March

Sire: Guns n Roses **Dam:** Bleeding Purple/Angus
Diamond is truly what her name implies. She is massively made but still maintains a feminine front end. The Heat Wave/Who combo is deadly in the show ring. You will want to be leading this heifer instead of following her in a market heifer class.

Consigned by Johnston Farms

DOB: March

JF Maybelline

Sire: Ace of Diamonds **Dam:** Lucky 13 Annedelle 25N

18

Maybelline comes from the Anndelle cow family which hails from the DJS Anndelle 330 line. Her mother has been a consistent producer for the Johnston's for many years and the only reason why they are letting this one go is that they already have two daughters in production. Can be registered shorthorn plus.

Quad S Who' Your Girl

19

We all know how hard it is to snag up bred Who's in all the fall and winter sales. Here's your chance to get one on the ground floor and add to your herd. Who's your girl will be a hot commodity come a year from now.

Quad S Sonny

*Quad S Sonny Steer that was
Chapion at a tough
New York Fair*

Quad S Sonny is a Sun Seeker/Habanero bull that the Siburts bought from Kris Black. I could go on and on about all these females, but they are all so uniform yet out of different types of cows. Lots 28 & 30 are out of good Meyer 734 cows (you know I love my Meyers) and Lots 27 & 29 are a little more moderate with club calf making mommas written all over them. Quad S Sonny stamps them out all the same, hairy, good necked with some rib. You can take any of these heifers and show and then put in the pasture when your done.

STEERS

34

JFK "Da Bear"

Sire: Heat Wave **Dam:** Mimms 7063
DOB: March

This full sib to the Denver Champions and the AI Sire Denver Heat, is named after my favorite football player of all times #34 Walter Payton from the Chicago Bears. This guy is fuzzy, great necked, up headed and moves like a wide receiver. Don't over look him cause you'll pay in the fall.

JFK Tressel

Sire: Heat Wave **Dam:** Guyer Donor 32731
DOB: March

35

I don't think my Tressel is gonna get kicked out of Ohio just yet. This brockle faced, diamond footed steer is a once in a lifetime for many. He's the coolest Heat Wave I've seen in a long time. This thing would grow hair in Texas. He LOVES the water!!! Get ready to rinse. I can't wait to follow him around this show season!!!

Huge butted, monster topped, sound footed. Just give him time to grow into his front end. He's already seen the show ring. Thanks Alli for all your hard work.

JF Bobby

Sire: Smiling Bob **Dam:** Angus
DOB: March

39

By far Bobby is the best Smilin Bob I've seen all year. He has the muscle capacity and depth of body to make a great fat steer. He does however need an experienced show man because he is high spirited. He sells with lots of personality. He's placed well in two fall pull in shows already.
